

If you have any questions, please
call. As I told you, I want to get
this settled as soon after the 1st of
April as I can.

If this is OK with you I will go
ahead & pay the difference & then you
will owe me.

I hope you don't think I am
pushing this but I don't know
how else to get Mother the help from
S.S.I. It's either go this way or use
all her money - each time it goes down
about 70.00 a month.

SS. 416.00
Rent - 459.50

P.S.
Don't forget to send back
the evaluation papers

BEP/S - 55.00 every 2 months.

Then when something happens we would have
to come up with the whole shot. A big mess - Hub!
Betty.
