

In the minds of men everywhere, no idea is more powerful than freedom.

And in the hearts and souls of all men, no symbol of freedom is more compelling nor more treasured than the Statue of Liberty.

On behalf of all those people who decades past forsook their homes, their possessions, and their native land to seek freedom, your contribution is deeply appreciated.

Therefore, in recognition of your selfless sacrifice to protect and preserve the world's symbol of freedom, your personal contribution, given in the year nineteen hundred and eighty-three, has been officially recorded and your name entered on a permanent Register of Contributors to be displayed at the museum of the rebuilt Statue of Liberty; Port of New York, United States of America.
